Management Discussion and Analysis Report

Overview

The objective of this report is to convey the Management's perspective on the environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities, and internal control systems and their adequacy in the Company during the Financial Year 2020-21. This should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Integrated Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

Industry Structure and Developments

The COVID-19 pandemic resulted in a nation-wide lockdown in India in Q1 FY2021 and was one of the strictest lockdowns globally. This resulted in a GDP contraction of 24% in Q1 FY2021 as most of the economic activity was halted during April-May. However, India has witnessed a gradual resumption of economic activity from Q2 FY2021 onwards. The initial recovery was driven by government spending on infrastructure, exports and rural economy. The recovery has gained momentum since August 2020 with pickup in consumption demand driven by festive buying and return of urban consumption resulting in GDP growth of 0.4% in Q3 FY2021. Despite this recovery, India is estimated to see a contraction of 8% in the annual GDP of FY2021 due to sharp fall seen in H1 FY2021. India's steel industry has also suffered from production losses due to lockdown in Q1 FY2021 and recovered gradually since then, initially driven by exports followed by gradual recovery in domestic demand. A strong rebound in manufacturing and infrastructure development activity during H2 FY2021 has led to a sharp rise in both production and consumption of steel in India. According to the Joint Plant Committee, India's crude steel production has reached 92 million tonnes during the period April 2020 to February 2021 and is estimated to reach 103 million tonnes by end of FY2021, registering a decline of 5.5% over the last year. India's finished steel demand is estimated to be 93 million tonnes for FY 2021 as against 100 million tonnes in FY 2020, a drop of 7%.

Business Outlook of the Steel Industry

India is expected to witness a full economic recovery in FY 2022 and is projected to grow by 9.5% in FY2022 driven by (a) ongoing vaccination supporting the current recovery momentum; (b) restart of investment cycle with significant spending on infrastructure and (c) continued recovery in consumption supported by urban demand, accentuated by work-from-home and preferences for personal mobility along with rising rural incomes and affordability. However, normal growth levels would only be seen in FY 2023, provided no further economic disruption occurs and the vaccination drive achieves its target of covering more than 30% of the population by end of 2021.

Within the steel industry, current production and consumption levels are indicating a near full recovery. Continuing the current momentum and new capacities coming on stream, India's crude steel production is expected to reach 116 million tonnes in FY2022, growing by 12.5% over last year. India's finished steel demand is also expected to reach 107 million tonnes in FY2022, up by 15% over FY2021, driven by strong infrastructure spending and sustained demand of automotive and consumer durables.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members
Rathi Industries Limited

We have examined the compliance of the conditions of Corporate Governance by Rathi Industries Limited for the year ended on 31st March 2021, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 in Chapter IV of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations, 2015”).

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to a review of the procedures and implementations thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated in the provisions as specified in Chapter IV of the Listing Regulations, 2015. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion, to the best of our knowledge and according to the explanation given to us, and the representations made by Directors & the Management, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the provisions as specified in Chapter IV of the Listing Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
Rathi Industries Limited

Opinion

We have audited the accompanying financial statements of **Rathi Industries Limited** (herein after referred to as “the Company”) which comprise the balance sheet as at 31st March 2021, the statement of profit and loss (including other comprehensive income) and the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information (herein after referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the financial position of the Company as at 31st March 2021 and its financial performance including other comprehensive income and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Note 28 to the financial statements which explains the uncertainties and management's assessment of the financial impact due to lockdown / restrictions related to the COVID-19 pandemic imposed by the Governments, for which a definitive assessment of the impact is dependent upon future economic conditions.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders' Information but

RATHI INDUSTRIES LTD.

does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal financial controls relevant to the audit in order to design audit

RATHI INDUSTRIES LTD.

- procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the Company's internal financial controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our

RATHI INDUSTRIES LTD.

- knowledge and belief were necessary for the purposes of our audit.
- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the balance sheet, the statement of profit and loss, the statement of cash flow and the statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder;
 - (e) on the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the director is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B;
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.
 - (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, to the best of our information and according to the explanations given to us we state that:
 - (i) The Company has disclosed pending litigations and the impact on its financial position in its Financial Statements – Refer note 28
 - (ii) The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees & securities, as applicable.
- (v) According to the information and explanations given to us, the company has not accepted any deposit from the public during the year. Therefore the provision of clause (v) of the Order is not applicable.
- (vi) We have broadly reviewed the cost records maintained by the Company, pursuant to the Companies (Cost Records & Audit) Rules, 2014 as amended and prescribed by the Central Government under section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We confirm that the cost records maintained by the company are accurate and complete as contemplating by the statute. Moreover, the Cost auditor is also likely to submit his separate detailed report regarding Cost audit done by him.
- (vii) According to the information and explanation given to us in respect of Statutory dues, and the records of the Company examined by us:
 - (a) The Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Excise, Value Added Tax, Cess and all other statutory dues with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax,

RATHI INDUSTRIES LTD.

Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.

- (c) There are no dues of Income Tax, Goods & Service Tax which have not been deposited as at March 31, 2021 on account of dispute.
- (viii) In our opinion and according to the information and explanations given to us, the company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and Government. The company has not issued any debentures.
- (ix) Based on information and explanations given to us by the management, term loans were applied for the purposes for which those were raised. The company has not raised monies by way of Initial Public offer or further public offer (including debt instruments).
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the company and no material fraud on the company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the company has paid managerial remuneration in accordance with requisite approvals mandated by the provisions of Section 197 read with schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the company is in compliance with section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The company is not required to be registered under section 45-1A of the Reserve Bank of India Act, 1934.

RATHI INDUSTRIES LTD.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal & Regulatory Requirements' of our report of even date).

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rathi Industries Ltd.** (“the Company”) as of 31 March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

RATHI INDUSTRIES LTD.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. : 28

(NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2021)

(I) Company Information

Rathi Industries Ltd. (the Company) is a public limited company incorporated on 29.11.1991 under the provisions of Companies Act, 1956 having its registered office at New Delhi. The Company is engaged in re-rolling activities particularly manufacturing & selling of M.S. Bars (TMT) under the brand name “RATHI STELMAX”. The Company's operation includes four rolling mills installed at their plant situated at G.T. Road, Chhapraulla, Gautam Budh Nagar (U.P.).

(II) Basis of Preparation

The financial statements of the Company have been prepared and presented under the historical cost convention on the accrual basis of accounting, unless stated otherwise and comply in all material aspects with the Indian Accounting Standards ('Ind AS') including the rules notified under the relevant provisions of the Companies Act, 2013. Company's financial statements are presented in Indian Rupees, which is also its functional currency.

(III) Significant Accounting Policies

A. Property Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Depreciation on Property, Plant & Equipment is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

RATHI INDUSTRIES LTD.

In respect of additions or extensions forming an integral part of existing assets, depreciation is provided as aforesaid over the residual life of the respective assets.

Dismantlement of plant:

The Company is in process of modernisation of its plant situated at Chhapraula Gautam Budh Nagar. During the process of above modernisation & finalisation in current year, a loss of Rs. 1,81,39,562/- has been booked on account of scrap of plant dismantlement.

B. Use of Estimates

The preparation of Financial Statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities as at the date of the Financial Statements and the reported amount of revenues and expenses during the reporting year. Accounting estimates could change from period to period. Actual results could differ from those estimated. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

C. Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

D. Investments

Investment has been valued at cost. The cost comprises purchase price and directly attributable acquisition charges.

E. Cash Flow Statement

Cash flows are reported using the Indirect Method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents

F. Revenue Recognition

Revenue from sale of goods is recognised when the significant risks and rewards of

RATHI INDUSTRIES LTD.

ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from operations includes sale of goods, excise duty and adjusted for discounts (net), and gain/loss on corresponding hedge contracts.

Interest income: Interest income from a financial asset is recognised using effective interest rate method.

(IV) Employee Benefits

As per Indian Accounting Standard 19 “Employee Benefits”, the disclosure of Employee Benefits as defined in the Accounting Standard are given below:-

(i) **Defined Contribution Plan**
