They involve risks, uncertainties and assumptions and the Company's actual results could differ, which in some cases may be material, from those anticipated in these forward-looking statements.

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

The corrugated packaging industry consists of about 300-400 automatic plants with substantial investment and thousands of smaller semi- automatic unit catering to the packaging needs of various types of industries. Most of the units are in the MSME Sector.

Packaging is used to cover or wrap a product to preserve its quality and extend the shelf life of its contents by reducing the risk of contamination. Packaging plays a very significant role in transportation, warehousing, logistics and sales of products. Apart from providing convenience to customers, packaging also plays a major role in attracting customers to purchase the product. It also controls the size and quantity of the content.

Corrugated packaging gained popularity with consumers as a result of it's light weight, good printability, ease of storage and easy recyclability.

b) OPPORTUNITIES & THREATS

In India, the packaging industry has witnessed constant changes over the years and it has emerged as one of the fastest growing sectors in India's economy.

In recent years, there has been a new user segment facilitating the growth of the Indian packaging industry viz e-commerce. The widespread adoption of e-commerce transactions/shopping has resulted in millions of packets being delivered daily across the country. This has further increased the demand for quality packaging material. Overall the quality standards and requirements are increasing for the Industry as a whole.

The industry is constantly faced with several challenges in terms of excess capacity, high degree of fragmentation resulting in poor bargaining power and capital constraints. The disruption in global trade and commerce due to the Pandemic has added to the woes of the industry in the form of severe raw material shortages and unprecedented hike in its prices, adversely affecting the profitability of the Industry.

c) SEGMENT-WISE PERFORMANCE

The Company is a single product Company and hence, segment-wise or product-wise performance is not provided.

d) OUTLOOK

Your Company's priorities have always revolved around service to our customers and maintaining the quality of our end product. We continue to work towards making these strategies our priority by modernizing plant and machinery and by adding balancing equipment to improve quality and production capacity of our products.

We feel that factors such as increasing demand from industries of fresh food and beverages, home & personal care goods, and electronic goods, logistics application, increasing consumer awareness towards sustainable packaging, and growth of the e-commerce industry will propell the growth of the corrugated boxes market.

e) RISKS & CONCERNS

The Company's business is exposed to both external and internal risks. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company has framed a detailed Risk Management Policy which identifies the various types of risks at all levels of the Company,

identify the key business risk areas and a risk mitigation process. The policy aims to ensure resilience for sustainable growth and sound corporate governance by having an identified process of risk identification and management in compliance with the provisions of the Companies Act, 2013.

The purpose of risk management is to identify potential events that may affect achievement of organization strategy and business objectives and to manage such risks.

f) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has developed adequate internal control system commensurate to its nature, size and scale of its business operation. Internal controls are regularly reviewed for the changing business economic and regulatory environment and to ensure efficiency and effectiveness. The Company has appointed M/s Sapra Sharma & Associates, LLP (Chartered Accountants), an outside agency as its Internal Auditors, who conduct internal audit for various activities. The reports of Internal Auditors are submitted to the Audit Committee which further reviews the adequacy and effectiveness of Internal Control System.

g) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATING PERFORMANCE

The operating performance of the Company has been discussed in the Directors Report under the head financial summary and state of Company affairs/operations. The Profit Before Tax for the year 2020-21 was Rs. 107.78 lakhs as against Rs. 361.08 lakhs in the year 2019-20.

h) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

Amidst the global pandemic of COVID-19 crisis, the safety of our employees has been our top-most priority and the Company has taken several measures to ensure their well-being. The Company is committed to create an environment of learning and development, promote internal talent and develop cross functional expertise. The Company has embarked on several human resource initiatives to enhance the productivity of the organization and each individual. Human Resource is valued as an extremely important and strategic resource and your Company believes in employee empowerment across the entire organization in order to achieve organizational effectiveness. As on March 31, 2021, the Company had 121 employees.

i) LONG TERM AND SHORT TERM STRATEGY

The Company opts for proactive approach with respect to any changes or opportunities triggered by customers' buying behaviour. The Company sells its products directly to the customers and its strategy is to work closely with its major customers and align its business operations and investment decisions according to their requirements. The Company will also make continuous efforts to explore other growth opportunities.

j) SIGNIFICANT CHANGES IN FINANCIAL RATIOS

During the year, the significant changes in the financial ratios of the Company, which are 25% or more as compared to the previous year are summarized below:-

Financial Ratios	FY 2020-21	FY 2019-20	Change in %	Reason for Change
Debtors Turnover Ratio	4.84	6.18	(21.71)	Due to the economic disruption caused by the pandemic the cash flows of most of the industries were affected resulting in delays of payments by the customers. Due to the lower turnover and increase in trade receivables this ratio is down as compared to previous year.
Inventory Turnover (RM)	7.02	10.44	(32.71)	The RM prices had been going up continuously last year so the Company had ramped up its inventory levels. This coupled with lower sales has resulted in steep decline in Inventory Turnover {RM} ratio.

Interest Coverage Ratio	6.58	14.56	(54.84)	Due to pandemic the cash flows of most of the industries were affected resulting in delays of payments by the customers. Due to delays in recovery from customers higher bank limits were used for smooth functioning of the Company resulting in higher interest outgo.
Current Ratio	2.12	3.24	(34.54)	Although net current assets had gone up during the year to Rs. 1571.84 from 1442.41 lacs of the previous year but the decline in the ratio is due to higher current assets and current liabilities.
Debt equity Ratio	0.63	0.29	116.28	Due to higher current liabilities (resulting due to higher current assets) the ratio has gone up.
Operation Profit Margin (%)	2.42	5.45	(55.65)	During the year there was sharp increase in RM costs which could not be passed on to the customers. Also due to pandemic the operations of the company was affected resulting in decline in turnover of the Company by over 10% and increase in fixed costs affecting the Profit Margin.
Net Profit margin (%)	1.24	3.53	(64.90)	During the year there was sharp increase in RM costs which could not be passed on to the customers. Also due to pandemic the operations of the company was affected resulting in decline in turnover of the Company by over 10% and increase in fixed costs affecting the Profit Margin.
Return on Net worth (%)	2.00	7.54	(73.53)	During the year there was sharp increase in RM costs which could not be passed on to the customers. Also due to pandemic the operations of the company was affected resulting in decline in turnover of the Company by over 10% and increase in fixed costs affecting the Profitability and hence the return on net worth.

k) CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's expectations or predictions may be forward looking within the meaning of applicable laws or regulations. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward-looking statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of
PERFECTPAC LIMITED

Report on the audit of the Ind AS Financial Statements

Opinion

We have audited the Ind AS financial statements of Perfectpac Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by The Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the Ind AS Financial Statements and our auditors' report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outway the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report), Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE IND AS FINANCIAL STATEMENTS OF PERFECTPAC LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Perfectpac Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Ind AS Financial Statements

A Company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Corporate Information

Perfectpac Limited (“the Company”) is a public limited Company incorporated in India with its Registered Office at Delhi and is listed on the Bombay Stock Exchange Limited (BSE) and Calcutta Stock Exchange Limited (CSE). The Company is engaged interalia, in the business of manufacturing of Packaging products.

2. Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its Financial Statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these Financial Statements.

(a) Statement of Compliance

The Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“the Act) including the rules notified under the relevant provisions of the Companies Act, 2013.

(b) Basis for Preparation & Presentation

The Financial Statements have been prepared under the historical cost convention on accrual basis with the exception of certain assets and liabilities carried at fair values. The Assets and Liabilities have been classified as Current/Non Current as per the Companies normal operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/ Non Current classification of assets and liabilities.

(c) Property, Plant and Equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation Method and Estimated Useful Life

- i. Depreciation is provided on the straight line method over the estimated useful life of the assets as prescribed under the Schedule II to the Companies Act 2013.
- ii. Gains and losses on disposals are determined by comparing proceeds with carrying amount and such gains or losses are recognized as income or expense in the Statement of Profit and Loss.
- iii. Cost of items of Property, Plant and Equipment not ready for intended use as on the Balance Sheet date is disclosed as capital work in progress. Advances given towards acquisition of Property, Plant and Equipment outstanding at each Balance Sheet date are disclosed as Capital Advance under Other Non Current Assets.

(d) Intangible Assets and Amortization

Intangible assets are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated amortization and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly

attributable to bringing the asset to its working condition for the intended use.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are recognized as income or expense in the Statement of Profit and Loss.

Cost of items of intangible assets not ready for intended use as on the Balance Sheet date is disclosed as intangible assets under development.

Amortization Method and Estimated Useful Life

Amortization is charged on a straight line basis over the estimated useful life. The estimated useful life and amortization method are reviewed at the end of each annual reporting period with the effect of any changes in the estimate being accounted for on a prospective basis.

(e) Impairment of Non-financial assets.

Tangible and Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(f) Leases

In accordance with Ind AS 116, as lessee with a term of more than 12 months, the Company recognises a 'right-of-use' asset at cost for the lease term at the commencement date and a lease liability representing its obligation to make future lease payments. The 'Right-of-use' asset is depreciated using the straight line method from the commencement date over the shorter of lease term or useful life of 'right-of-use' asset. The lease payment is discounted using the lessee's incremental borrowing rate as there is no interest rate implicit in the lease. Short term lease and lease of low value is treated as expense on straight line basis or other systematic basis over the lease term

(g) Financial Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

i. Financial Assets

Financial assets include Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents etc which are classified for measurement at amortized cost. The Company accounts its investments in subsidiaries and associates at cost.

Management determines the classification of an asset at initial recognition depending on the purpose for which the asset was acquired. The subsequent measurement of financial assets depends on such classification.

Impairment:

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

De-Recognition:

Financial assets are derecognized when the right to receive cash flow from the assets has expired, or has been transferred and the Company has transferred substantially all of the risks and rewards of ownership.

Income Recognition:

Interest income is recognized in the Statement of Profit and Loss using the effective interest method.

ii. Financial Liabilities:

Borrowings, Trade Payables and other Financial Liabilities are initially recognized at the value of the respective contractual obligations. They are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

De-Recognition:

Financial Liabilities are derecognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

(h) Inventories

Inventories are valued at lower of cost and net realizable value except waste which is valued at estimated realizable value as certified by the management. The basis of determining cost for various categories of inventories are as follows:

Stores, Spare Parts, Packing Materials and Raw Materials	First in First out basis.
Work in Progress and Finished Goods	Material cost plus appropriate share of production overheads.

(i) Revenue

Revenue is recognized when the performance obligation is satisfied by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government. Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable. Income from services if any, is accounted over the period of rendering of services.

(j) Foreign Currency Transactions

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The Financial Statements are presented in Indian Rupee (INR) which is Company's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss.

(k) Cash and Cash Equivalents

For the purpose of presentation in the statement of Cash Flows, Cash and Cash Equivalents includes cash in hand, cheques/drafts in hand, demand deposits with banks, short term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(l) Income Tax

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of Profit and Loss because some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The Company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax arising from temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are off set against each other and the resultant net amount is presented in the Balance Sheet if and only when the Company currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in Other Comprehensive Income or directly in equity. In this case the tax is also recognized in Other Comprehensive Income or directly in equity respectively.

(m) Employee Benefits

(i) Short Term Employee Benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Post Employment Benefits

Defined Contribution Plans

The Company's defined contribution plans are superannuation and employees provident fund, Employee State Insurance/Labour Fund and employees pension scheme (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Company has no further obligation beyond making the contributions. The Company's contributions to these plans are charged to the Statement of Profit and Loss as incurred.

Defined Benefits Plans

Liability for defined benefit plans is provided on the basis of valuations as at the Balance Sheet date, carried out by an independent actuary.

Gratuity

The gratuity fund benefits are administered by a Trust recognized by Income Tax Authorities through Group Gratuity Schemes. The liability for gratuity at the end of the each financial year is determined on the basis of actuarial valuation carried out by the independent Actuary. The method used for measuring the liability for gratuity is Projected Unit Credit Method. Actuarial gains and losses are recognized in the Statement of Other Comprehensive Income in the period of occurrence of such gains and losses. The obligations for gratuity are measured at the present value of estimated future cash flows discounted at rates reflecting the prevailing market yields of Indian Government securities as at the Balance Sheet date for the estimated term of the obligations. The estimate of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. The expected rate of return of plan assets is the Company's expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations. Plan assets are measured at fair value as at the Balance Sheet date.

(iii) Other Long Term Benefits Plans

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the Projected Unit Credit Method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other Comprehensive Income.

(n) Earnings Per Share

Basic Earnings Per Share is calculated by dividing the profit for the period attributable to the owners of Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the Company and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(o) Exceptional Items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the Company for the year, the Company makes a disclosure of the nature and amount of such items separately under the head "Exceptional Items."

(p) Provisions and Contingent Liabilities

A provision is recognized if as a result of a past event, the Company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the Financial Statements. However, when the realization of income is virtually certain then the related asset is not a contingent asset and its recognition is appropriate.

(q) Rounding of Amounts

All amounts disclosed in the Financial Statements and accompanying notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013 unless otherwise stated.

(r) Dividends

Dividend proposed (including income tax thereon) is recognized in the period in which interim dividends are approved by the Board of Directors or in respect of final dividend when approved by shareholders.

(s) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(t) Use of Estimates and Critical Accounting Judgements

The preparation of Financial Statements is in conformity with Generally Accepted Accounting Principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgements and estimates are made in areas relating to useful life of Property, Plant and Equipment, impairment of Property, Plant and Equipment, Investments, actuarial assumptions relating to recognition and measurement of employee defined benefit obligations and recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.

(u) Recent Indian Accounting Standards(Ind AS)

Ministry of Corporate Affairs notifies new Standards or amendments to the existing Standards. There is no such notification which would be applicable from April 1, 2021 other than amendments to Schedule III. The Company will evaluate the same to give effect as required by law.

b) Fair Value Hierarchy

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). Fair value of investment in unquoted equity shares is determined using discounted cash flow technique.

The carrying amounts of all financial instruments are considered to be the same as their fair values.

c) Financial Risk Management

In the course of its business, the Company is exposed to a number of financial risks: credit risk, liquidity risk, market risk. This note presents the Company's objectives, policies and processes for managing its financial risk and capital.

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Trade and other receivables

The Company's Trade Receivables are largely from sales made to wholesale customers. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer, demographics of the customer and the default risk of the industry.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

The Company manages credit risk through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Exposures to customers outstanding at the end of each reporting period are reviewed to determine incurred and expected credit losses and the Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade receivables. Historical trends of impairment of Trade Receivables do not reflect any significant losses.

Summary of the Company's ageing of outstanding from various customers and impairment for expected credit loss is as follows:

(Rupees in lakhs)

As at March 31, 2021	Gross Carrying Amount	Expected Credit Losses	Carrying amount of trade receivables (net of expected credit losses)

Past due 180 and more days	16.60	-	16.60
Total	1,104.09	-	1,104.09

ii) Liquidity Risk

Liquidity risk refers to risk that the Company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled in cash or other financial assets. The Company regularly monitors the rolling forecasts to ensure that sufficient liquidity is maintained on an ongoing basis to meet operational needs. The Company manages the liquidity risk by planning the investments in a manner such that the desired quantum of funds could be made available to meet any of the business requirements within a reasonable period of time. In addition, the Company also maintains flexibility in arranging the funds by maintaining committed credit lines with various banks to meet the obligations.
