MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

GLOBAL ECONOMY OVERVIEW:

Economy in many countries rebounded in 2021 after a sharp decline in 2020. Advanced economies and many middle-income countries reached substantial vaccination rates. International trade picked up, and high commodity prices are benefiting many developing countries. Global growth is expected to moderate from 6.1% in 2021 to 3.6% in 2022 and 2023.

Although, rising energy prices and supply interruptions have resulted in higher and more widespread inflation than expected. Elevated inflation is projected to last longer than prediction, although assuming inflation expectations remain well-anchored, inflation should steadily decline in 2022 as supply-demand imbalances fade and major economies respond with monetary policy.

The emergence of new COVID-19 variants could prolong the pandemic and induce renewed economic disruptions. Moreover, supply chain disruptions, energy price volatility, and localized wage pressures mean uncertainty around inflation. As advanced economies lift policy rates, risks to financial stability in emerging market capital flows, currencies and fiscal positions may arise.

INDIAN ECONOMY OVERVIEW:

India has emerged as the world's fastest-growing major economy, and it is predicted to be one of the top economic powers in the next decade, owing to its robust democracy and strong partnerships. According to Advance estimates, the Indian economy would expand by 9.2 percent in 2021-22 after declining in 2020-21. This indicates that overall economic activity has surpassed pre-pandemic levels.

With economic momentum resuming, and the long-term advantages of supply-side reforms in the works, the Indian economy is poised to grow at considerable pace. According to IMF's World Economic Outlook (October 2021 edition), India's nominal GDP, measured in nominal USD market exchange rate is estimated at USD 3,515 Bn in 2023 (FY 2023-24), accounting for 3.3% of global GDP and making it the sixth largest economy in the world. When measured in purchasing power parity (PPP) terms, India is estimated to be the third largest economy at PPP USD 12,387 Bn in 2023.

FY 2022-23 is expected to be the first normal year after the onslaught of COVID-19 which virtually eliminated meaningful increase in economic output during the two-year period up to FY21. India's per capita nominal GDP is estimated to grow by 16% in FY 2021-22 to INR 16,95,743 (USD 2,282.34) after suffering a contraction of 2.4% in FY21.

INDUSTRY STRUCTURE AND DEVELOPMENT

India's textile sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports. The textile industry is also labor intensive and is one of the largest employer. The textile industry has two broad segments. First, the unorganized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale. India accounts for good percentage of the world's production of textile fiber & yarns. Fabric production in the country rose to millions. The industry is the second largest employer after agriculture, providing employment to over millions of people directly and indirectly. The Indian Textile Industry contributes a good percentage to India's Gross Domestic Product (GDP), and overall Index of Industrial Production (IIP).

The Indian Textiles Industry has an overwhelming presence in the economic life of the country. Apart from providing one of the basic necessities of life, the textiles industry also plays a vital role through its contribution to industrial output, employment generation, and the export earnings of the Country. GDP growth for FY 2021-22 was 7.4%.

Industry Overview

OPPORTUNITIES, CHALLENGES AND OUTLOOK

Opportunities

The most significant change in the Indian textile industry has been the advent of man-made fibers (MMF). India has successfully placed its innovative range of MMF textiles in almost all the countries across the globe. The future outlook for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade.

Opportunities available to the Company in the present scenario, which can be seized for the benefit of the Company and ultimately to the stakeholders, can be summarized as under:

1. The government had extended the duty drawback facility on all textile products & increased the rates in some cases to boost exports in the sector.
2. In the Union budget, a good amount has been allocated to the Ministry of Textiles in order to support various schemes covering the textile industry.
3. Capacity built over years has led to low cost of production per unit in India's textile industry; this has lent a strong competitive advantage to the country's textile exporters relative to key global peers.
4. India's growing population has been a key driver of textile consumption growth in the country.
5. The Indian textile industry is set for strong growth, buoyed by both strong domestic consumption as well as export demand
6. Urbanization is expected to support higher growth due to change in fashion & trends.

Threats

Based on review of the textile market situation and level of rivalry present in the domestic market, following threats might be present in the market, which can hinder growth of the revenue of the Company:

1. Intense competition between established brands and private label brands.
2. Low cost substitute products from other countries
3. Significant presence of small suppliers has reduced the bargaining power.
4. Major clothing brands have better bargaining power over textile manufacturers, as the product differentiation is low and numbers of players are high and fragmented.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

INTERNAL FINANCIAL CONTROL SYSTEM

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities

for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification. These reports are then reviewed by the “Management Team” and the “Audit Committee” for follow-up action.

HUMAN RESOURCE DEVELOPMENT

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation.

Your Company believes in trust, transparency & teamwork to improve employees productivity at all levels.

CAUTIONARY STATEMENT

The Management Discussion and Analysis Report containing your Company’s objectives, projections, estimates and expectation may constitute certain statements, which are forward looking within the meaning of applicable laws and regulations. The statements in this management discussion and analysis report could differ materially from those expressed or implied. Important factors that could make a difference to the Company’s operation include raw material availability and prices, cyclical demand and pricing in the Company’s principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the Company conducts business and other incidental factors.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in

the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 (the Order) issued by the Central Government in terms of Section 143 (11) of the Act, we enclosed in the annexure a statement on matters specified in paragraph 3 & 4 of the said order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) In our opinion there are no observations or comments on the financial transactions, which may have an adverse effect on the functioning of the Company.
- (f) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- i) As informed to us the Company does not have any pending litigations which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure to the Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **Sueryaa Knitwear Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Sueryaa Knitwear Limited** ("the Company") as at March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur

and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS**1. GENERAL INFORMATION**

Sueryaa Knitwears Limited company is engaged in the business of Manufacturing of Hosiery Goods, cloth for own and on job work basis and trading of cloth.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**A. Accounting Conventions:**

The company's financial statements have been prepared in accordance with the historical cost convention on accrual basis of accounting as applicable to going concern in accordance with generally accepted accounting principle in India, mandatory accounting standards prescribed in the Section 133 of the Companies Act 2013 Read with Rule 7 of the Companies (Accounts) Rules 2014.

All assets and liabilities have been classified as current or non current as per company's normal operating cycle and other criteria set out in the Revised Schedule II of Companies Act, 2013. Based on the nature of business, the company has ascertained its operating cycle as 12 months for the purpose of current or non current classification of Assets and liabilities.

B. Revenue Recognition

1 Sales Revenue is recognized on dispatch of goods, net of freight, insurance, Excise and VAT and GST.

2 Interest income is recognised on time proportion basis.

C. Fixed Assets:

Fixed assets are stated at cost of acquisition and inclusive of inward freight, duties & taxes & incidental expenses related to acquisition net of capital subsidy relating to specific fixed assets.

Capital work in progress/Intangible assets under development includes cost of assets at site, advances made for acquisition of capital assets and pre operative expenditure pending allocation to fixed assets.

D. Inventory Valuation

Inventories are valued at cost or net realizable price whichever is lower except scrap at net realisable value. The cost formula used for valuation of inventories are:-

- 1 In respect of raw material and stores and spares have been valued at cost or market price whichever is lower on FIFO basis.
- 2 In respect of work in process is valued at cost of raw material plus conversion cost.
- 3 Finished goods are valued on retail sale price less GP% method or market price whichever is lower

E. Depreciation

Depreciation has been provided on provided on written down method at the rates specified in schedule II of The Companies Act, 2013. The fixed assets acquired prior to 1st April 2014 are depreciated over the revised remaining useful life of the assets based on the indicative useful life of the assets mandated by schedule II to the Companies Act, 2013

F. Taxes on Income

Provision for Tax is made for both current and deferred taxes. Provisions for current income tax is made on the current tax rates based on assessable income. The Company provides for deferred tax based on the tax effect of timing differences resulting from the recognition of items in the financial statements and in estimating its current tax provision.

G. Employee Benefits

- i) None of the employees is covered under EPF act.
- ii) Provision for leave encashment is made on the basis of leave accrued to the employees during the financial year.
- iii) The company has a defined benefit gratuity plan. Provision for gratuity has not been made as company does not have any employee which is covered under gratuity Act

H. GST

GST is Levied on dispatch of the goods from the company during year.

- I. **Foreign Currency Transaction**
Transactions in Foreign Currency are recorded at the rate of exchange prevailing at the date of transactions. All current assets and liabilities are translated at the relevant rates of exchange prevailing at the year end. The translation/settlement differences are recognized in the profit & Loss Account.
- J. **Impairment of Assets**
As at Balance Sheet date, an assessment is made whether any indication exists that an asset has been impaired. If any such indication exists, an impairment loss i.e. the amount by which the carrying amount of an asset exceed its recoverable amount is provided in the books of account.
- K. **Provisions, Contingent Liabilities and Contingent Assets**
Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result so past event and it is probable that there will be outflow of resources. Contingent liability, which are considered significant and material by the company, are disclosed in the Notes to Accounts. Contingent Assets are neither recognised nor disclosed in financial statements.
- L. **Investments**
 - 1 Long term investments are considered “at Cost” on individual investment basis, unless there is a decline other than temporary in value thereof, in which case adequate provision is made against such diminution in the value of investments.
 - 2 Current investments are valued at lower of cost or market value.
- M. **Borrowing Cost**
Borrowing cost that are directly attributable to acquisition or construction of qualifying assets or treated as part of cost of capital assets. Other borrowing cost or treated as expenses for the period in which they are incurred.
- N. **Earning Per Share**
Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earning considered in ascertaining the Company’s earnings per share is the net profit for the period after deducting preferences dividends and any attributable tax thereto for the period.
- O. **Cash and Cash Equivalent**
In the cash flow statement, cash and cash equivalent includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three or less.
- P. **Lease**
Lease under which the company assumes substantially all the risks and rewards of ownership are classified as finance lease. Such assets acquired are capitalized at fair value of the asset or present value of the minimum lease payments at the inception of the lease, which is lower. Lease payment under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss account over the lease term.
- Q. **Intangible Assets**
Intangible assets are stated at acquisition cost, net accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over their estimated useful lives. A rebuttable presumption that the useful life of an intangible assets will not exceed ten years from the date when the asset is available for use is considered by the management. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.
- R. **Use of Estimates**
The preparation of financial statements requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Example of such estimates include provision for doubtful debts, employee benefits, provision for income tax, the useful lives of depreciable fixed assets and provision for impairment.
