EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

ITEM NO. 1:-

Your Company is a leading manufacturer and exporter of Flexible Intermediate Bulk Container (FIBC)/ Bulk Bag/Jumbo Bag, PP Multifilament Yarn, PP Woven Sacks, CPP (Cast Polypropylene) films and a wide variety of Fabrics like Sulzer Fabric, Ventilated Fabric, Circular Fabric, etc. Located in Kanpur, India, and with over 50 years of experience in Industrial Packaging, KPL has an excellent track record for providing high-quality products and customer satisfaction.

The Company had diversified into CPP film manufacturing in 2023 when it commissioned its CPP plant. The CPP Film market is part of flexible film packaging industry catering to the consumer sector. The films so made were to be supplied to Convertors who would then in turn supply the same to the FMCG segment apart from other end uses. However, due to Global uncertainties disturbance particularly Russia-Ukraine war, there were tremendous problems resulting into business slowdown in Europe & USA, which resulted into demand supply problems and consequently very bad financial performance since FY 24 onwards for the entire packaging industry in general, which negatively also impacted the financial performance of all divisions of your Company including CPP.

Objects

CPP division stand alone delivering affected financial performance since its inception. The division continues to suffer losses and an internal analysis shows that CPP division on its own is unlikely to be viable in the near future. In view of the evolving market dynamics and future projection based on the various studies, the management was seeking the possibility of exiting this business and concentrate on its core activities of FIBCs, PP Fabric and small PP sacks. With a view to prevent the losses and financial burden which the CPP division is putting on the main division of the Company and to focus on expanding its core Raffia business, it has been decided to exit from the CPP business and sell the plant and machineries of the CPP division on 'as is where is' basis. This statement may be referred as the object of the Proposed Transaction.

Commercial Rationale

Total Consideration of Plant & Machinery of CPP division is Rs. 49.25 Cr.

Use of proceeds

The entire Transaction Consideration will be directly paid / used to pay off the outstanding Term loan of the said CPP division. Hence, the assets consideration of Rs. 49.25 Cr. will be used to repay the outstanding Term Loan of the Company.

Outlook

The sale of these machineries will be a cash positive activity as the entire proceeds from the sale shall be used to repay the outstanding term loan on these assets thereby considerably reducing the debt burden. The losses of CPP will no longer drain the profitable Raffia division of the company. Savings on account of interest outflow will further enhance the bottom line of the company. The Raffia division itself also has regained its profitability trend which is expected to continue.

Hence, this will significantly reduce the debt structure of the Company and the Balance Sheet of your Company will significantly strengthen coupled with the significant reduction of interest cost. The management is confident of a bright future ahead. Plans are underway to strengthen the core Raffia business and increase its capacity.

The above disclosure are made under Regulation 37A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), relevant provisions of the Companies Act, 2013 and rules made thereunder.

The Board of Directors have approved the proposed transaction of sale and transfer of plant and machineries along with spares parts of the Cast Polypropylene Film (CPP) division ("Assets") on 11th of March, 2025 subject to the prior approval of the Shareholders in terms of Section 180(1)(a) of the Companies Act, 2013 and Regulation 37A of the Listing Regulations.

Pursuant to regulation 37A of the Listing Regulation, the Special Resolution shall be acted upon only if the votes cast by the public shareholders in favour of the resolution exceed the votes cast by such public shareholders against the resolution.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 1 of the Notice.

Your Directors recommend passing of the above resolution as a Special Resolution
