12. Further, the grounds on which exemptions from meetings for the Applicant Companies has been sought, as stated in the application, reads as

follows:

S. No.	Grounds for exemption of meetings of Equity shareholders	Grounds for exemption of meetings of Secured Creditors	Grounds for exemption of meetings of Unsecured Creditors
Applicant Company No.1	Consent affidavits are given by 98.94% Shareholders	N.A	Consent affidavits from the unsecured creditors having 100% in value of total unsecured creditors
Applicant Company No.2	Consent affidavits are given by 91.50% Shareholders	N.A	Consent affidavits from the unsecured creditors having 100% in value of total unsecured creditors
Applicant Company No.3	Consent affidavits are given by 99.14% Shareholders	N.A	Consent affidavits from the unsecured creditors having 99.10% in value of total unsecured creditors
Applicant Company No.4	Consent affidavits are given by 99.63% Shareholders	N.A	Consent affidavits from the unsecured creditors having 100% in value of total unsecured creditors.
Applicant Company No.5	Consent affidavits are given by 99.65% Shareholders	N.A	Consent affidavits from the unsecured creditors having 100% in value of total unsecured creditors
Applicant Company No.6	Consent affidavits are given by all the Shareholders	N.A	Consent affidavits from the unsecured creditors having 100% in value of total unsecured creditors
Applicant Company No.7	Consent affidavits are given by 93.75% Shareholders	N.A	Permission sought for convening the meeting
Applicant Company No.8	Consent affidavits are given by 99.97% Shareholders	N.A	Permission sought for convening the meeting
Applicant Company No.9	Consent affidavits are given by 97.62% Shareholders	N.A	Consent affidavits from the unsecured creditors having 100% in value of total unsecured creditors

Applicant Company No.10	Consent affidavits are given by 95.82% Shareholders	N.A	Consent affidavits from the unsecured creditors having 98.89% in value of total unsecured creditors
Applicant Company No.11	Consent affidavits are given by 93.96% Shareholders	N.A	Permission sought for convening the meeting
Applicant Company No.12	Consent affidavits are given by all the Shareholders	N.A	Consent affidavits from the unsecured creditors having 95.56% in value of total unsecured creditors

13. Since the Applicant Companies have no secured creditors, the requirement to convene any meeting does not arise. With regards to unsecured creditors of the Applicant Companies No.1 to 6, Applicant No.9, Applicant No.10 Company and Applicant No.12 Company, it is noted that more than 90% in value have provided their consent to the proposed Scheme. Accordingly, in view of threshold prescribed under sub-section (9) of Section 230 of the Companies Act, the requirement to convene meetings stands dispensed with for Applicant Companies No.1 to 6, Applicant No.9, Applicant No.10 Company and Applicant No.12 Company. It is also noted that Applicant Company No.7, Applicant Company No. 8 and Applicant Company No.11 have prayed for convening the meeting of unsecured creditors.

14. With regards to the Shareholders of the Applicant Companies, the Applicants have prayed for dispensing with the requirement of convening a meeting of shareholders since more than 90% of the shareholders of the Applicant Companies have provided their consent/no-objection to the proposed Scheme by way of affidavits. However, a perusal of the Companies Act, 2013 reveals that, unlike Section 230(9) of the Act, which permits the dispensation of meetings of creditors upon the consent of more than 90% of

the creditors (by value) to the proposed Scheme, no similar provision exists for the dispensation of meetings of shareholders in relation to a proposed scheme of arrangement, merger, or amalgamation. We note various judicial precedents relating to the requirement for convening meetings of shareholders to consider schemes of arrangement, merger, or amalgamation.

15. In *Re: Bharat Explosives Ltd*¹, the Hon'ble Allahabad High Court while considering an application under Section 391 of the Companies Act, 1956 held that even though 89.85% of the shareholders of the transferee company therein had consented to the scheme, the meeting of the shareholders was required to be called to consider the proposed scheme, keeping in view the rights of the minority groups of shareholders. In *Re: Ansys Software Private Limited*², the Hon'ble Karnataka High Court placed emphasis on the need for holding meetings for consideration of a proposed scheme under Section 391 of the Companies Act, 1956 and observed that when law provides for a meeting of the members and creditors for the purpose of discussing and approving a proposed scheme, it has a definite purpose and object and the same cannot be done away by a process of dispensation. Similarly, in *Ganges Concast Industries Limited*³, the Hon'ble Allahabad High Court expressed its apprehension in dispensing with the meeting of stakeholders merely on the basis of documents placed before the court and further held such action to be deviation from the procedure prescribed under the statute.

16. But in *Re: Ambuja Cements Limited*⁴, dated 06.04.2021, the Hon'ble

¹ 2004 SCC OnLine All 2441

² [2004 122 CompCas 526]

³ [Company Application No. 2 of 2015]

⁴ Company Appeal (AT) No. 19 of 2021

NCLAT, New Delhi, set aside the order of NCLT, Ahmedabad for wrongfully rejecting the plea of the Appellant Company to dispense with meeting of equity shareholders and secured/ unsecured creditors. The Appellate Tribunal took into account the fact that the Transferor Company was a wholly owned subsidiary of the Transferee Company and the scheme did not envisage any reorganization of share capital of the Transferee Company. The aforesaid judgment of *Ambuja Cements Limited (supra)* was reaffirmed in the judgment dated 22.12.2021 passed by the Hon'ble NCLAT, New Delhi in *Re: Patel Hydro Power Private Limited*⁵, where it was held that the meeting of equity shareholders and creditors can be dispensed with where the transferor and transferee companies are subsidiary and parent companies.

17. At this stage, it would be relevant to refer to the Hon'ble Delhi High Court judgement in *Mazda Theatres v. New Bank of India*⁶ wherein the Hon'ble Delhi High Court carved out exceptions where shareholders' meetings under Sections 391 – 394 of the 1956 Act could be dispensed with. The above judgment was subsequently affirmed by the Hon'ble Delhi High Court in *Adobe Properties Private Limited with AMP Motors Private Limited*⁷ wherein the Hon'ble High Court dealt with the question of dispensing with the requirement of convening meeting of the equity shareholders, secured and unsecured creditors to consider and approve the scheme of amalgamation of the Applicant companies therein. The Hon'ble High Court made reference to several judicial precedents before taking the view that a court/ tribunal has the discretionary power to order the convening of such meeting or dispensing

with the same. However, such power has to be exercised judicially, to further the ultimate aim and object of the statute.

18. In present case, it is noted that the shareholders of the Applicant No.6 Company and Applicant No.12 Company have 100% consent from their shareholders, while the remaining Applicant Companies have secured more than 90% shareholder approval. While Applicant No.12 is a subsidiary of Applicant No.11 Company, Companies appearing as Applicants No.1 to 10 are not. It is further noted that the Transferee Company, Applicant No.11, is a Public Company wherein the Applicant No.1 to 10 Companies is proposed to be amalgamated. Considering the above-referred precedents, facts of the present case and abundant caution to safeguard the interests of minority shareholders of the Applicant Companies, it is hereby directed that a meeting of the shareholders be convened for all Applicant Companies. In view of the aforementioned:

- a) The meeting of the equity shareholders of all Applicant Companies is directed to be convened.
- b) The meeting of the unsecured creditors of the Applicant Company No.7, Applicant Company No.8 and Applicant Company No.11 is directed to be convened.
- c) It is further directed that the meeting shall be convened through video conference with the facility of remote e-voting in compliance of the MCA General Circular dated 08.04.2020 and 05.05.2022, for the purpose of considering the Scheme.
- d) The quorum of the meeting of the Unsecured Creditors and Equity Shareholders shall be as follows:

In case of Unsecured Creditors		
Company	Total value	Quorum of the Meeting
Applicant No.7 Company	21,00,685	Not less than 75% of the unsecured Creditors in value
Applicant No.8 Company	37,95,093	
Applicant No.11 Company	12.8298 (Crores)	
In case of Equity Shareholders		

Company	Total Number	Quorum of the Meeting
Applicant No.1 Company	10	Not less than 75% of the Equity Shareholders in value
Applicant No.2 Company	8	
Applicant No.3 Company	12	
Applicant No.4 Company	8	
Applicant No.5 Company	8	
Applicant No.6 Company	5	
Applicant No.7 Company	16	
Applicant No.8 Company	9	
Applicant No.9 Company	5	
Applicant No.10 Company	9	

Applicant No.11 Company	7430	
Applicant No.12 Company	2	

- e) In case the required quorum as noted above for the meetings is not met/satisfied at the commencement of the meeting, the Chairman shall adjourn that meeting by 30 minutes and thereafter the persons present shall be deemed to constitute the quorum of the said meeting.
- f) The following appointments are made for the purpose of the above mentioned meetings:

- g) The Chairperson's fee for the aforementioned meeting shall be Rs 1,50,000, while fees of the Scrutinizer would be Rs. 75,000, in addition to reimbursement of any incidental expenses. - k) It is also directed that the Provisional Financial Statements of Applicant Companies not older than 6 months prior to the date of the meeting be also circulated for the aforesaid meeting(s) in terms of Section 232(2)(e) of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going

concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

ARORAVOHRA&CO.CHARTERED ACCOUNTANTS

intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place but not for the purpose of expressing an opinion on the company internal control of the system and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Financial Statements that individually or in aggregate makes

probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit and in evaluating the results of our Work and (ii) to evaluate the effect the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Accounting

These financial statements have been prepared under the historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles in India. GAAP Comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the companies (Accounting) Rules, 2014. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

1.2 Revenue Recognition

Income on account of dividend is recognised on receipt basis and all other incomes are recognised and accounted on accrual basis

Items of expenditures are recognised on accrual basis.

1.3 Taxes on Income

Provision for taxation comprises of Current Tax and Deferred Tax. Current Tax provision has been made on the basis of reliefs and deductions available under the Income Tax Act, 1961. Deferred tax resulting from "timing differences" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets can be realised in future.

1.4 Provisions, Contingent Liabilities, Contingent Assets :

A provision is recognised when an enterprise has a present obligation because of past events. It is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are made based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Contingent liabilities and significant events occurring after balance sheet date are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

For the purpose of calculating diluted earnings per share, the net consolidated profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.7 Foreign Currency Transaction

There is no foreign currency transaction during the year.

BUSINESS ENVIRONMENT

The Company has been trying to perform better and improve the revenue, but due to increase in the raw material and other costs and decrease in the sales prices of its products resulting in lower margins, the Company's profit is not satisfactory. The management is working hard to overcome from this situation and improve the profitability. However, inspite of the best efforts, there is no improvement in the working and losses continue to mount. As a result, the Management had no alternative but to shut down the distillation operations of the Company w.e.f. 29.11.2024.

The State of Haryana continues to witness new capacity addition in the manufacture of ethanol. This had a cascading effect on the Company because of increased demand on fossil fuels and increase in supply of DDGS which is the by-product of the Company.

The State of Haryana continues to reel under the excess capacity of spirit and liquor production over its demand of sale in the market. There are fifteen number of Distilleries which are operating in the State. The stagnation continues in the industry and the reduction of Country Liquor sale as compared to the last year's sale is recorded.

The company's philosophy of treating Human Capital and Talent as an important component in its operations, has given rich dividends. In the current year, the Company has renewed its persistence to invest in Human Capital to a new level of delivery to improve the overall working of the Company. Safety of human life is given the utmost priority in all the operations and the management philosophy that human Safety is priceless continues to govern all the operations.

optimum use of its natural capital and is consistent in its efforts in the direction. Efforts are undertaken on a continuous basis to reduce its carbon foot print by using agri waste fuels for its energy requirements. Dependence on fossil fuel is almost negligible for meeting any of its energy requirements. The Company is self sufficient through its own power generation. The focus on the use of clean energy remains top on the charter. Natural capital and resources is exploited only to the barest needed extent. The Company advocates that it must be a positive contributor to natural capital. Bulk of the waste in terms of solids and effluents are re-cycled and re-circulated. The philosophy to make all its operations environmentally sustainable lies in the forefront of its actions. The Company has developed its own Bio Fertilizer rich in Potash, Nitrogen and other minerals by re-cycling its liquid waste.

The Company engaged in being a responsible corporate citizen and invested in supporting community healthcare and education in fulfillment of its social objectives.

The Company continues its journey on a purpose led business model and governed by ethics and good corporate governance. Unethical competition in the market does affect the growth of the Company, but its philosophy to remain committed to do business in an ethical manner continues, even though at a very high cost. A. CONSERVATION OF ENERGY

The details of:

- i) The steps taken or impact on conservation of energy;
- ii) The steps taken by the Company for utilizing alternate sources of energy;
- iii) The capital investment on energy conservation equipments are as follows:

Conservation of energy, reduction in the release of greenhouse gases, reducing the carbon footprint ecological sustainability through implementation of advance technology remained one of the key focus areas of the Company. Company has already commissioned an advanced most modern high pressure boiler and steam turbine so as to generate electricity for its own captive consumption which is working quite satisfactorily. The high pressure boiler and the steam turbine have been put into use during the year and the unit is capable of generating more than 1 MW of power which is sufficient for the process. By implementing this project the Company aims to reduce its dependency on grid power which is generated mostly by large corporations using fossil fuel. The high pressure boiler and turbine set uses agri waste as fuel to generate steam and power. This has not only helped the Company in reducing the use of fossil fuel and conservation of energy but also in reducing its carbon foot print. The Company continues to implement its stated objectives of using natural resources in a responsible manner and becoming net neutral in their consumption.

The Company's Engineering team has also designed systems to re-circulate water at high temperature for its manufacturing process heating in the fermentation section, feed water to boiler, etc., thereby saving heat energy.

The Company has also optimized its lighting requirement by using modern lighting systems. Emphasis is laid on using natural lighting as much as possible and the glazing and roofing have been accordingly modified. The Company has also started the gradual replacement of its existing lights by using LED bulbs for lighting.

Due to the adoption of the newly designed ETP systems complying to the Zero Discharge of Trade Effluents using innovative technologies considerable saving in water consumption and energy has been achieved. The entire trade effluent and blow down water is treated and re-circulated in the system to optimize water resources and drastically reducing water requirements. This has helped in the reduced hours of use of pumps and motors.

The company has taken various steps to save water at various levels including construction of water storage tank. This will help to save electricity besides the saving in water consumption.

B. RESEARCH AND DEVELOPMENT AND TECHNOLOGY ABSORPTION

- i) **The efforts made towards technology absorption:**

Your Company is engaged in continuous Research and Development in order to improve the quality of its Extra Neutral Alcohol so as to surpass the expectations of its customers. Process technology has also been improved to increase the yield of spirit without the compromise in quality, taste and sense evaluation.

It has started using new strains of Yeast to help optimize the fermentation of the molasses and increase the yield of alcohol. This new focus area has helped the company to reduce the volume of trade effluents besides increase in productivity.

ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

This team has also developed a new feed and combustion system for the burning of dried trade effluents of low Calorific Value in its existing boilers.

The team of Environmental and Process Engineers and Chemists has also been able to adapt and adopt new 'green' technologies wherever possible in contributing to reduction of effluents by using nano RO technology and using efficient energy reduction systems to incinerate the concentrated trade effluents by using lower calories. The R & D efforts are an on-going part of the company's activities.

The Company has commissioned the 16 TPH high pressure boiler and steam for own generation of power. It is now in the process of further improving the working of the system.

Independent Auditors' Report on Financial Statements

TO

THE MEMBERS OF M/s HARYANA DISTILLERY LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **HARYANA DISTILLERY LIMITED** which comprises the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss and Cash Flows for the year ended, and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are Responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and

detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably

knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and;
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

We have audited the internal financial controls with reference to financial statements of **HARYANA DISTILLERY LIMITED** ("the Company") as of 31st March 2025 in conjunction with our audit of the financial statements of the company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

(6) Regarding :- Liabilities on a/c of Labourers General Demand Notice.

For the last over 5 decades there has been a trend in our Co. that the Registered Trade Union (s) serves and get the workmen demands settled at every after a period of 3 Yrs. Duration. The H.D. Emp. Union after expiry of the period of its previous settlement had submitted a General Demand Notice dated 11-09-2017 for 3 yrs. period i.e. from 01-07-2017 to 30-06-2020 which is still pending before the Labour court, Ambala for adjudications. During the pendency of the same, the said Union has submitted its another General Demand Notice dated 10-07-2020 for further period of 3 Yrs. i.e. from 01-07-2020 to 30-06-2023 which is also pending for consideration and decision.

As per the said proposal of settlement dated 20-03-2023 ,our company had owned to allow an increase of ₹920/-PW/PM effective from the date of settlement, but the court on the last date of hearing i.e on 27-02-2023 had got that amount divided into 2 parts i.e 50 % in basic and 50 % in allowance which works out as under:-

The liabilities in both the Demand Notices owing to that being subjudice, cannot be provided at our own.

In Basic Wages (₹)	Add.Perks on Basic wage @ 43.5% (₹)	In other allowances (₹)	Total CTC approx. (₹)	To be paid to the eligible No.of W/M	Period of 5 months From	1120X82X5 comes to (₹)
460	200	460	1120	82	Nov., 2022 to March, 2023	4,59,200/-

It is therefore, desired that the aforesaid amount i.e. ₹4,59,200/- (In round off ₹4.60 Lac) may be booked in the accounts of Books as being the liability on the company as on 31-03-2023.

(7) Liabilities for the payment of "Environment Compensation" on the extraction and use of Ground Water for commercial and industrial use.

Earlier we were paying Water Cess to Haryana State Pollution Control Board (HSPCB) under the Water (Prev. & control of pollution) Cess Act, 1977. Since the Govt. of India, Ministry of Finance vide its circular dated 07-06-2017 (photocopy enclosed) had abolished various Acts/Cesses inclusive of the aforesaid Act w.e.f.01-07-2017. resultantly, the making of the payment of Water Cess was stopped by us from the said date.

The Govt of Haryana had issued a Gazette Notification Extra ordinary dated 23-12-2020(Photocopy enclosed) whereby the StateGovt.has proposed certain amount of levy as being Environment Compensation on the extraction and use of ground water for the commercial and industrial use.

In compliance to the said Gazette Notiofication, we had submitted our Application dated 30-09-2021 for the grant of NOC (Photocopy enclosed) to Haryana Water Resources Authority (HWRA) for the issuance of permission to extract ground water for industrial use which is still pending for consideration and decision of the Deptt.

Further to the above, the Govt. of Haryana also had issued another Notification dated 17-03-2022 (Photocopy enclosed) with regard to its notifying the imposition of Environment Compensation to regulate and control the fround water extractions in the state having given the Tariff of the extraction and use of ground water. Considering the various factors, the Govt. has fixed the area wise categorization of Zones like (i) Safe (ii) Semi Critical (iii) Critical (iv) Over Exploited and that our's are falling in the category of Over Exploited zone.

As per the Mail dated 20-04-2022 of HWRA (Photocopy enclosed), the liability of the payment of environment compensation for the extraction of ground water has become payable w.e.f.23-12-2020, but the exact amount of levy of "Environment Compensation" presently cannot be ascertained at our own until the pendency of the applied NOC is cleared/issued to us.

As such, the liability of the payment of "Environment Compensation" in the absence of the requisite NOC and the placement of demand for payment from the Deptt. cannot be assessed at our own at this stage.

Background

Modi Spinning & Weaving Mills Co. Ltd. (MSWM), Company registered under the

Companies Act 1956 became a sick industrial company in the year 1989 and was declared so under the Provisions of Sick Industrial Companies (Special Provisions) Act, 1985. The Board for Industrial & Financial Reconstruction (BIFR) sanctioned a Scheme for revival and rehabilitation of MSWM vide its order dated 25.03.2004 hereinafter referred to as SS-04/SS. SS-04 envisaged division of MSWM into 3 parts by creation of 2 Special Purpose Vehicles – SPV-I (Haryana Distillery Ltd.), SPV-II (Rajputana Fertilizers Ltd.) and the Residual Company MSWM. In terms of the SS-04, the crystallized OTS dues of the Secured Creditors were to be paid by Haryana Distillery Ltd. (HDL) & Rajputana Fertilizers Ltd. (RFL) in the ratio of 40:60 and some identified assets, investments along with the units of MSWM would be transferred to them. As per the SS-04, the Distillery Unit of MSWM which carried on the liquor business of Haryana Distillery, Yamuna Nagar along with certain identified investments and assets was demerged into HDL as a going concern as per the terms and conditions determined in the Sanctioned Scheme. The existing shareholders of MSWM would get one fully paid-up share of ₹10/- each in HDL for every 5 shares held in MSWM.

Implementation

Due to certain inter-se disputes & differences between the Promoters there was delay in implementation of SS-04. M/s. Rajputana Fertilizers Ltd., one of the SPVs under the Scheme filed Writ Petition No.7424 of 2007 before the High Court of Delhi at New Delhi, titled Rajputana Fertilizers Ltd. vs. Appellate Authority for Industrial & Financial Reconstruction (AAIFR).

The Hon'ble High Court of Delhi vide its order dated 19.12.2007 directed the SPVs to make complete payment of their respective OTS liabilities to the Secured Creditors under SS-04 with up to date interest and make the payment of the same to IDBI(OA) before this Court on 07.01.2008. The said payment was to be made by the respective SPVs to IDBI (Operation Agency) as per SS-04 with interest due and payable up to 07.01.2008. The High Court also directed that:

"Simultaneous with the complete payment made as aforesaid by an SPV, it is directed that all liabilities of the said SPV to the secured creditors under SS-04 shall stand duly satisfied and discharged, and all assets earmarked under SS-04 to the concerned SPV making the payment (other than the SikriBagh Land in case of SPV-II, RFL), together with all cash flows, profits and losses, liabilities and charges and benefits and rights, accruing and that have accrued with effect from the appointed date under SS-04 i.e. 01.10.2003, shall stand vested in favour of the concerned SPV making the payment, without further act or deed, and in terms of section 18(6A) of SICA."

Haryana Distillery Ltd. (SPV-I) has fully complied with the provisions of the Scheme and the order of the Hon'ble High Court of Delhi by making payments to the secured creditors during the accounting year 2007-08. In terms of the scheme sanctioned by the Hon'ble BIFR vide its order dated 25.03.2004 and in terms of the orders of Hon'ble Delhi High Court in WP(C) No. 7424 of 2007 dated 19.12.2007 and 07.01.2008, the assets and liability of Haryana Distillery Unit of MSWM and designated investments and assets (land, building, shops, houses etc) has been transferred and vested in Haryana Distillery Ltd without any further act or deed and in terms of the Section 18(6A) of SICA. The Company has not yet received the original title documents, agreements and other important records from MSWM with respect to various assets which are vested in Haryana Distillery Ltd. as mentioned above. There are also certain properties on common land which have not yet been clearly demarcated by MSWM. The Company has already taken up the matter with MSWM and they have assured that the process with respect to the handing over of the title documents and agreements and other papers and issues with regard to demarcation shall be resolved soon. The Company is following up on this issue with MSWM.

Haryana Distillery Ltd has made the payment in terms of the Scheme to the Secured Creditors of MSWM, amounting to ₹1734.74 Lacs plus ₹10.00 Lacs thereby fulfilling all stipulations and conditions of Scheme in compliance of the orders of Hon'ble High court of Delhi referred above, this has also been recorded in the orders dated 07.01.2008 of the Hon'ble High Court of Delhi.

Rehabilitation scheme sanctioned by BIFR in its hearing held on 25-03-2004 stipulates inter- alia demerger of (i) Haryana Distillery Unit and (ii) Modi Cloth Mills & Modi Cotton Processing units of MSWM as going concern to Haryana Distillery Limited and Rajputana Fertilizers Limited (RFL) respectively w.e.f 01-10-2003 i.e. the appointed date and

transfer of certain investments and immovable properties to HDL and RFL. However till the effective date i.e. the date on which certified copy of the order of BIFR for restructuring is filed with the Registrar of Companies, Kanpur & of NCT, Delhi, business of these three units will be carried on by the respective units of MSWM in trust for HDL & RFL and cash flow and Statement of Profit & Loss of these units w.e.f appointed date till the effective date shall be to the account of these two resulting companies. HDL has filed the copy of the Scheme with the concerned ROC. However in terms of the directions of the Hon'ble High Court of Delhi and legal opinion obtained by the Company, the effective date has been recorded as 07.01.2008. In the Profit and Loss A/c for the accounting year 2007-08, the revenue receipts and expenditures pertaining to HD unit of MSWM for the entire year have been included.

The units, assets, investments, approvals and licenses etc in terms of the Scheme and as per the orders of the Hon'ble High Court of Delhi referred herein above are already vested with the Company without any further act or deed. The Company is taking steps to mutate and transfer the same in the name of HDL which is only a formality.

For the purpose of such allotment of equity shares fractional entitlement, if any, shall be rounded off to the nearest whole.

The company has transferred a sum of ₹97.75 Lacs to Capital pending allotment account during the accounting year 2007-08 for issue of equity shares to the shareholders of MSWM after receipt of details of shareholders and record date from MSWM. During the year 2010-11 the company has allotted 973015 equity shares of ₹10/- each fully paid up by utilizing the amount of capital pending allotment to the then fully paid shareholders of MSWM and ₹0.45 Lacs was transferred to capital pending allotment account for issue of shares of the then partly paid up shareholders of MSWM, if eligible. On the basis of legal opinion obtained by the management and in accordance with the provision of Sanctioned Scheme dated 25.03.2004 as set out in paragraph 12 of SS-04, company is under no legal obligation to make allotment to the Share Holders who have partly paid up shares of MSWM. In view of the above, the company has transferred the said amount to the statement of Profit & Loss as income for the year 2012-13.

The approved demerger scheme envisage to grant exemption by the Central Govt. to the company from applicability of relevant provisions of the Companies Act 1956 and SEBI Guidelines, if any, for ensuring smooth implementation of the scheme of revival. It further envisages exempting the company from the applicability of section 293(1) (d), section 81 and other relevant applicable provisions of the Companies Act, 1956 relating to acceptance of loans/deposits and raising of capital as may be required for the revival of the company.

On the implementation of the scheme in the accounting year 2007-08 from the effective date, the employees of Distillery unit of MSWM stand transferred to and be deemed to have become the employees of HDL with same terms and conditions on which they are employed with Haryana Distillery (a unit of MSWM) and their services with Haryana Distillery (a unit of MSWM) prior to such date are not treated as having interrupted for the purpose of provident fund or gratuity or for superannuation or for any other retirement benefits or for any other purposes, but will be reckoned for all such purposes from the date of their respective appointments with the Haryana Distillery (a unit of MSWM). Accumulated leave (including in respect of their services prior to the Appointed Date) of the employees of the distillery unit are taken to the account of the company.

As per the sanctioned scheme during the year 2007-08, the assets and liabilities of MSWM except for the liabilities towards pressing creditors amounting to ₹65.11 Lacs, which is to be discharged by MSWM, relating to Haryana Distillery unit vesting in HDL are accounted in the company's books of accounts at their respective book values appearing in MSWM's books of accounts as on the Appointed Date.

Certain Reliefs & Concessions envisaged in the Scheme are yet to be availed by HDL because of procedural delays and reasons. The Company is taking steps to obtain the same.

Show cause notice was issued by SahayakAyukt Stamp I for levying Stamp Duty on

transfer of Assets from MSWM to HDL and subsequent sale of the same. In terms of the Sanctioned Scheme SS-04, company is exempted from paying stamp duty on sale of its assets. Company preferred an application before Hon'ble BIFR. Hon'ble BIFR had set aside the show cause notice of SahayakAyukt Stamp I vide order dated 09.04.2013. SahayakAyukt Stamp I & II aggrieved by the said order of Hon'ble BIFR has preferred an appeal before Hon'ble AAIFR. Hon'ble AAIFR vide its order dated 18.07.2014 has dismissed the appeal of the SahayakAyukt Stamp I & II.

Besides the assets and liabilities of Haryana Distillery unit of MSWM, the Land & Building amounting to ₹520.94 Lacs and Investments of ₹3.22 Lacs have also been transferred to HDL on the implementation of the scheme of demerger during the year 2007-08. The IDBI was appointed as monitoring agency in said scheme of demerger. The assets are accounted for by the Company during the year 2007-08, on the basis of valuation on the appointed date provided accordingly by MSWM.

In terms of the SS-04 and Orders of Hon'ble Delhi High Court, HDL has made the payment to the secured creditors of MSWM on 07.01.2008. The SS-04 has been substantially implemented and the remaining portion of the scheme for making payments to workers, statutory dues and other creditors is under implementation by MSWM.

HDL being a Special Purpose Vehicle (SPV) for the implementation of the Scheme and material party before Hon'ble BIFR, has been advancing various amounts from time to time to Modi Spinning & Weaving Mills Co. Ltd. (MSWM) to the limited extent of its share, for facilitating the implementation of remaining portion of Scheme. MSWM is taking actions as per the directions of the Hon'ble BIFR and as provided for in the Scheme for the disposal / sale of the designated assets. HDL is also entitled to purchase the said assets as per the terms of the Scheme. Promoters group A & B also proposed to purchase two lands of MSWM viz Devendra Puri Land & Harmukh Puri Land for a total consideration of ₹2000.00 Lacs to be brought in the ratio of 40:60 respectively subject to permission of Hon'ble BIFR. The application has been made to BIFR where it is pending adjudication. The monies advanced to MSWM will either be returned to it or adjusted against the sale price of any asset that is purchased by the Company.

The Sick Industrial Companies Act 1985 was repealed in 2003 by the Sick Industrial Companies (Special Provisions) Repeal Act 2003 and the said Repeal Act was notified w.e.f. 01.12.2016 vide Gazette notification dated 25.11.2016. Pursuant to the said the Sick Industrial Companies (Special Provisions) Repeal Act 2003, the Hon'ble BIFR & Hon'ble AAIFR and the committees constituted in terms of the Scheme also cease to operate and exist w.e.f. 01.12.2016. However, in terms of the Sick Industrial Companies (Special Provisions) Repeal Act 2003, under the saving clauses vide Section Nos.4 & 5 any scheme sanctioned and all orders passed by the Hon'ble BIFR and Hon'ble AAIFR would continue to be valid and fully protected. Hence, even in the changed circumstances, post repeal of the SICA 1985, the orders passed by the Hon'ble BIFR dated 25.03.2004 and the Scheme sanctioned by the Hon'ble BIFR therein, and all subsequent orders and directions of the Hon'ble BIFR and the Hon'ble AAIFR which have attained finality, continue to be valid, legally binding on all material parties.

Further, the Govt. of India has notified in the Gazette of India that under the provisions of Insolvency and Bankruptcy Code Removal of Difficulties Order 2017, Provisions related to Sick Industrial Companies (Special Provisions) Act, 1985 that,

"Provided also that any scheme sanctioned under the sub-section (4) or any scheme under implementation under sub-section (12) of section 18 of the Sick Industrial Companies (Special Provisions) Act, 1985 shall be deemed to be an approved resolution plan under sub-section (1) of section 31 of the Insolvency and Bankruptcy Code, 2016 and the same shall be dealt with, in accordance with the provisions of Part II of the said Code:

Provided also that in case, the statutory period within which an appeal was allowed under the Sick Industrial Companies (Special Provisions) Act, 1985 against an order of the Board had not expired as on the date of notification of this Act, an appeal against any such deemed approved resolution plan may be preferred by any person before National Company Law Appellate Tribunal within ninety days from the date of publication of this order."

Therefore the Scheme sanctioned by the BIFR and all orders passed by the BIFR and AAIFR are to be considered as a part of the resolution plan under the IBC. The Company is exploring ways and means for implementation of the balance portion of the Scheme

and approaching the relevant Courts / Tribunals for any resolution that may be required.

- 28.3.20 Note 19 in the financial statements represents Assets Held for sale. The classification has been carried out as the Company has received advances from prospective buyers for certain assets. These advances indicate a strong intent from the buyers, supporting the company's decision to sell these assets in the near term. The company has a firm intention to dispose of these assets in the near term. Active steps are being taken to complete the sale, and management has completed these sales in the financial year 2024-25 before the signing of the Balance Sheet for FY 23-24.

The Assets so held for sale have been measured at cost as follows:

S.No.	Name of Assets	Cost of Assets (₹ in Lacs) FY-2024-25	Cost of Assets (₹ in Lacs) FY-2023-24
1.	Fertiland	NIL	38.13
2.	Plots	NIL	3.04
	Total	NIL	41.17

This classification reflects the company's strategy to streamline asset management by monetizing certain non-core assets, enhancing liquidity, and optimizing the asset base for operational efficiency.

- 28.3.21 During the F.Y. 2024-25, the Company witnessed an unprecedented increase in the price of raw material on one hand and a reduction in the prices of ENA & Country Liquor (which is the finished product). Due to this, the production and sale of ENA and Country Liquor was severely hampered and the entire business became unprofitable. The Company was not able to bear such severe negative impact on the operations. Therefore, the Company was forced to suspend its distillation operations w.e.f. 29.11.2024 and bottling operations for Country Liquor from 24.02.2025. This strategic step was forced on the Company because of the mounting financial losses and as per the market study and outlook, the prices of its raw materials would remain high and the prices of its finished products namely, ENA would not see any upward increase. The sale price of Country Liquor is administered as per the Excise Policy fixed by the State of Haryana and no upward revision is possible till new Excise Policy is announced sometime in May/June 2025.
- 28.3.22 The Company would resume the distillation and bottling operations once the market conditions improve and operational viability is restored.
- 28.3.23 In the interim, necessary steps have been taken to preserve the plant infrastructure and ensure regulatory compliance.
- 28.3.24 The Board continues to evaluate strategic options to mitigate the impact of such volatility and to protect the long-term interests of shareholders.

Independent Auditors' Report

TO

THE MEMBERS OF HARYANA DISTILLERY LIMITED

Report on the audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of HARYANA DISTILLERY LIMITED ('the Parent') and its subsidiary, which comprise the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditor on separate financial statement of subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at 31st March, 2025;
- b) in the case of the Consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) in the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key audit matters are not applicable to the Company as it is an unlisted company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the director's report on corporate governance and management discussion and analysis report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiary audited by other auditor, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditor and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiary, is traced from their financial statements audited by the other auditor. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of management and those charged with governance for the consolidated financial statements

The Parent's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate or to cease operations or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditors' responsibility for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements,

whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal Financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditor. For the other entity or business activities included in the consolidated financial statement, which have been audited by the other auditor, such other auditor remains responsible for the direction, supervision, and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in: Planning the scope of our audit work and evaluating the result of our work; and Evaluating the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The respective Boards of Directors of the Parent, its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by the other auditor of the subsidiary company in terms of their reports, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary company.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes, in accordance with generally accepted accounting principles. HARYANA DISTILLERY LIMITED

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of other auditor, the Parent, its subsidiary company, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

(6) Regarding :- Liabilities on a/c of Labourers General Demand Notice.

For the last over 5 decades there has been a trend in our Co. that the Registered Trade Union (s) serves and get the workmen demands settled at every after a period of 3 Yrs. Duration. The H.D. Emp. Union after expiry of the period of its previous settlement had submitted a General Demand Notice dated 11-09-2017 for 3 yrs. period i.e. from 01-07-2017 to 30-06-2020 which is still pending before the Labour court, Ambala for adjudications. During the pendency of the same, the said Union has submitted its another General Demand Notice dated 10-07-2020 for further period of 3 Yrs. i.e. from 01-07-2020 to 30-06-2023 which is also pending for consideration and decision.

The liabilities in both the Demand Notices owing to that being subjudice, cannot be provided at our own.

As per the said proposal of settlement dated 20-03-2023 ,our company had owned to allow an increase of ₹920/-PW/PM effective from the date of settlement, but the court on the last date of hearing i.e on 27-02-2023 had got that amount divided into 2 parts i.e 50 % in basic and 50 % in allowance which works out as under:-

In Basic Wages (₹)	Add.Perks on Basic wage @ 43.5% (₹)	In other allowances (₹)	Total CTC approx. (₹)	To be paid to the eligible No.of W/M	Period of 5 months From	1120x82x5 comes to (₹)
460	200	460	1120	82	Nov., 2022 to March, 2023	4.59,200/-

It is therefore , desired that the aforesaid amount i.e. ₹4,59,200/- (In round off ₹4.60 Lac) may be booked in the accounts of Books as being the liability on the company as on 31-03-2024.

(7) Liabilities for the payment of "Environment Compensation" on the extraction and use of Ground Water for commercial and industrial use.

Earlier we were paying Water Cess to Haryana State Pollution Control Board (HSPCB) under the Water (Prev. & control of pollution) Cess Act, 1977. Since the Govt. of India, Ministry of Finance vide its circular dated 07-06-2017 had abolished various Acts/Cesses inclusive of the aforesaid Act w.e.f.01-07-2017. resultantly, the making of the payment of Water Cess was stopped by us from the said date.

The Govt of Haryana had issued a Gazette Notification Extra ordinary dated 23-12-2020 whereby the State Govt. has proposed certain amount of levy as being Environment Compensation on the extraction and use of ground water for the commercial and industrial use. In compliance to the said Gazette Notification, we had submitted our Application dated 30-09-2021 for the grant of NOC to Haryana Water Resources Authority (HWRA) for the issuance of permission to extract ground water for industrial use which is still pending for consideration and decision of the Deptt.

Further to the above, the Govt. of Haryana also had issued another Notification dated 17-03-2022 (Photocopy enclosed) with regard to its notifying the imposition of Environment Compensation to regulate and control the ground water extractions in the state having given the Tariff of the extraction and use of ground water. Considering the various factors, the Govt. has fixed the area wise categorization of Zones like (i) Safe (ii) Semi Critical (iii) Critical (iv) Over Exploited and that our's are falling in the category of Over Exploited zone.

As per the Mail dated 20-04-2022 of HWRA, the liability of the payment of environment compensation for the extraction of ground water has become payable w.e.f.23-12-2020, but the exact amount of levy of "Environment Compensation" presently cannot be ascertained at our own until the pendency of the applied NOC is cleared/issued to us.

As such, the liability of the payment of "Environment Compensation" in the absence of the requisite NOC and the placement of demand for payment from the Deptt. cannot be assessed at our own at this stage.

The Board for Industrial & Financial Reconstruction (BIFR) sanctioned a Scheme

for revival and rehabilitation of MSWM vide its order dated 25.03.2004 hereinafter referred to as SS-04/SS. SS-04 envisaged division of MSWM into 3 parts by creation of 2 Special Purpose Vehicles – SPV-I (Haryana Distillery Ltd.), SPV-II (Rajputana Fertilizers Ltd.) and the Residual Company MSWM. In terms of the SS-04, the crystallized OTS dues of the Secured Creditors were to be paid by Haryana Distillery Ltd. (HDL) & Rajputana Fertilizers Ltd. (RFL) in the ratio of 40:60 and some identified assets, investments along with the units of MSWM would be transferred to them. As per the SS-04, the Distillery Unit of MSWM which carried on the liquor business of Haryana Distillery, Yamuna Nagar along with certain identified investments and assets was demerged into HDL as a going concern as per the terms and conditions determined in the Sanctioned Scheme. The existing shareholders of MSWM would get one fully paid-up share of ₹10/- each in HDL for every 5 shares held in MSWM.

Implementation

Due to certain inter-se disputes & differences between the Promoters there was delay in implementation of SS-04. M/s. Rajputana Fertilizers Ltd., one of the SPVs under the Scheme filed Writ Petition No.7424 of 2007 before the High Court of Delhi at New Delhi, titled Rajputana Fertilizers Ltd. vs. Appellate Authority for Industrial & Financial Reconstruction (AAIFR).

The Hon'ble High Court of Delhi vide its order dated 19.12.2007 directed the SPVs to make complete payment of their respective OTS liabilities to the Secured Creditors under SS-04 with up to date interest and make the payment of the same to IDBI(OA) before this Court on 07.01.2008. The said payment was to be made by the respective SPVs to IDBI (Operation Agency) as per SS-04 with interest due and payable up to 07.01.2008. The High Court also directed that:

“Simultaneous with the complete payment made as aforesaid by an SPV, it is directed that all liabilities of the said SPV to the secured creditors under SS-04 shall stand duly satisfied and discharged, and all assets earmarked under SS-04 to the concerned SPV making the payment (other than the SikriBagh Land in case of SPV-II, RFL), together with all cash flows, profits and losses, liabilities and charges and benefits and rights, accruing and that have accrued with effect from the appointed date under SS-04 i.e. 01.10.2003, shall stand vested in favour of the concerned SPV making the payment, without further act or deed, and in terms of section 18(6A) of SICA.”

The Company has not yet received the original title documents, agreements and other important records from MSWM with respect to various assets which are vested in Haryana Distillery Ltd. as mentioned above. There are also certain properties on common land which have not yet been clearly demarcated by MSWM. The Company has already taken up the matter with MSWM and they have assured that the process with respect to the handing over of the title documents and agreements and other papers and issues with regard to demarcation shall be resolved soon. The Company is following upon this issue with MSWM.

However till the effective date i.e. the date on which certified copy of the order of BIFR for restructuring is filed with the Registrar of Companies, Kanpur & of NCT, Delhi, business of these three

units will be carried on by the respective units of MSWM in trust for HDL & RFL and cash flow and Statement of Profit & Loss of these units w.e.f appointed date till the effective date shall be to the account of these two resulting companies. HDL has filed the copy of the Scheme with the concerned ROC. However in terms of the directions of the Hon'ble High Court of Delhi and legal opinion obtained by the Company, the effective date has been recorded as 07.01.2008. In view of the above, the company has transferred the said amount to the statement of Profit & Loss as income for the year 2012-13.

The approved demerger scheme envisage to grant exemption by the Central Govt. to the company from applicability of relevant provisions of the Companies Act 1956 and SEBI Guidelines, if any, for ensuring smooth implementation of the scheme of revival. Accumulated leave (including in respect of their services prior to the Appointed Date) of the employees of the distillery unit are taken to the account of the company.

As per the sanctioned scheme during the year 2007-08, the assets and liabilities of MSWM except for the liabilities towards pressing creditors amounting to ₹65.11 Lacs, which is to be discharged by MSWM, relating to Haryana Distillery unit vesting in HDL are accounted in the company's books of accounts at their respective book values appearing in MSWM's books of accounts as on the Appointed Date.

Certain Reliefs & Concessions envisaged in the Scheme are yet to be availed by HDL because of procedural delays and reasons. The Company is taking steps to obtain the same.

Show cause notice was issued by SahayakAyukt Stamp I for levying Stamp Duty on transfer of Assets from MSWM to HDL and subsequent sale of the same. In terms of the Sanctioned Scheme SS-04, company is exempted from paying stamp duty on sale of its assets. Company preferred an application before Hon'ble BIFR. Hon'ble BIFR had set

aside the show cause notice of SahayakAyukt Stamp I vide order dated 09.04.2013. SahayakAyukt Stamp I & II aggrieved by the said order of Hon'ble BIFR has preferred an appeal before Hon'ble AAIFR. Hon'ble AAIFR vide its order dated 18.07.2014 has dismissed the appeal of the SahayakAyukt Stamp I & II.

Besides the assets and liabilities of Haryana Distillery unit of MSWM, the Land & Building amounting to ₹520.94 Lacs and Investments of ₹3.22 Lacs have also been transferred to HDL on the implementation of the scheme of demerger during the year 2007-08. The IDBI was appointed as monitoring agency in said scheme of demerger. The assets are accounted for by the Company during the year 2007-08, on the basis of valuation on the appointed date provided accordingly by MSWM.

In terms of the SS-04 and Orders of Hon'ble Delhi High Court, HDL has made the payment to the secured creditors of MSWM on 07.01.2008. The SS-04 has been substantially implemented and the remaining portion of the scheme for making payments to workers, statutory dues and other creditors is under implementation by MSWM.

HDL being a Special Purpose Vehicle (SPV) for the implementation of the Scheme and material party before Hon'ble BIFR, has been advancing various amounts from time to time to Modi Spinning & Weaving Mills Co. Ltd. (MSWM) to the limited extent of its share, for facilitating the implementation of remaining portion of Scheme. MSWM is taking actions as per the directions of the Hon'ble BIFR and as provided for in the Scheme for the disposal / sale of the designated assets. HDL is also entitled to purchase the said assets as per the terms of the Scheme. Promoters group A & B also proposed to purchase two lands of MSWM viz Devendra Puri Land & Harmukh Puri Land for a total consideration of ₹2000.00 Lacs to be brought in the ratio of 40:60 respectively subject to permission of Hon'ble BIFR. The application has been made to BIFR where it is pending adjudication. Pursuant to the said the Sick Industrial Companies (Special Provisions) Repeal Act 2003, the Hon'ble BIFR & Hon'ble AAIFR and the committees constituted in terms of the Scheme also cease to operate and exist w.e.f. 01.12.2016. However, in terms of the Sick Industrial Companies (Special Provisions) Repeal Act 2003, under the saving clauses vide Section Nos.4 & 5 any scheme sanctioned and all orders passed by the Hon'ble BIFR and Hon'ble AAIFR would continue to be valid and fully protected. Hence, even in the changed circumstances, post repeal of the SICA 1985, the orders passed by the Hon'ble BIFR dated 25.03.2004 and the Scheme sanctioned by the Hon'ble BIFR therein, and all subsequent orders and directions of the Hon'ble BIFR and the Hon'ble AAIFR which have attained finality, continue to be valid, legally binding on all material parties.

Further, the Govt. of India has notified in the Gazette of India that under the provisions of Insolvency and Bankruptcy Code Removal of Difficulties Order 2017, Provisions related to Sick Industrial Companies (Special Provisions) Act, 1985 that,

"Provided also that any scheme sanctioned under the sub-section (4) or any scheme under implementation under sub-section (12) of section 18 of the Sick Industrial Companies (Special Provisions) Act, 1985 shall be deemed to be an approved resolution plan under sub-section (1) of section 31 of the Insolvency and Bankruptcy Code, 2016 and the same shall be dealt with, in accordance with the provisions of Part II of the said Code:

Therefore the Scheme sanctioned by the BIFR and all orders passed by the BIFR and AAIFR are to be considered as a part of the resolution plan under the IBC. The Company is exploring ways and means for implementation of the balance portion of the Scheme and approaching the relevant Courts / Tribunals for any resolution that may be required.

- C.29.3.20 Note 19 in the financial statements represents Assets Held for sale. The classification has been carried out as the Company has received advances from prospective buyers for certain assets. These advances indicate a strong intent from the buyers, supporting the company's decision to sell these assets in the near term. The company has a firm intention to dispose of these assets in the near term. Active steps are being taken to complete the sale, and management has completed these sales in the financial year 2024-25 before the signing of the Balance Sheet for FY 23-24.

The Assets so held for sale have been measured at cost as follows:

S.No.	Name of Assets	Cost of Assets(Rs. in Lacs) FY-2024-25	Cost of Assets(Rs. in Lacs) FY-2023-24
1.	Fertiland	Nil	38.13
2.	Plots	Nil	3.04
Total		Nil	41.17

This classification reflects the company's strategy to streamline asset management by monetizing certain non-core assets, enhancing liquidity, and optimizing the asset base for operational efficiency.

- C.29.3.21 During the F.Y. 2024-25, the Company witnessed an unprecedented increase in the price of raw material on one hand and a reduction in the prices of ENA & Country Liquor (which is the finished product). Due to this, the production and sale of ENA and Country Liquor was severely hampered and the entire business became unprofitable. The Company was not able to bear such severe negative impact on the operations. Therefore, the Company was forced to suspend its distillation operations w.e.f. 29.11.2024 and bottling operations for Country Liquor from 24.02.2025. This strategic step was forced on the Company because of the mounting financial losses and as per the market study and outlook, the prices of its raw materials would remain high and the prices of its finished products namely, ENA would not see any upward increase. The sale price of Country Liquor is administered as per the Excise Policy fixed by the State of Haryana and no upward revision is possible till new Excise Policy is announced sometime in May/June 2025.
- C.29.3.22 The Company would resume the distillation and bottling operations once the market conditions improve and operational viability is restored.
- C.29.3.23 In the interim, necessary steps have been taken to preserve the plant infrastructure and ensure regulatory compliance.
- C.29.3.24 The Board continues to evaluate strategic options to mitigate the impact of such volatility and to protect the long-term interests of shareholders.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Accounting

These financial statements have been prepared under the historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles in India. GAAP Comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the companies (Accounting) Rules, 2014. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

1.2 Revenue Recognition

Income on account of dividend is recognised on receipt basis and all other incomes are recognised and accounted on accrual basis

Items of expenditures are recognised on accrual basis.

1.3 Taxes on Income

Provision for taxation comprises of Current Tax and Deferred Tax. Current Tax provision has been made on the basis of reliefs and deductions available under the Income Tax Act, 1961. Deferred tax resulting from "timing differences" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets can be realised in future.

1.4 Provisions, Contingent Liabilities, Contingent Assets :

A provision is recognised when an enterprise has a present obligation because of past events. It is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are made based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Contingent liabilities and significant events occurring after balance sheet date are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

3) PURPOSE AND SCOPE

Based on our discussions, we understand that the management of Companies have decided for merger of transferor companies into the transferee company ("Haryana Distillery Limited") for which they require valuation report of all these companies as on as on 31 March 2022, carried by Registered Valuer in accordance with the provisions of Companies Act, 2013.

4) Registered Valuer (RV) declares that:-

- The RV is competent to undertake financial valuation in terms of rules and regulations of Companies Act.
- The RV is independent and has prepared the report on a fair and unbiased basis.
- RV has done the valuation on the basis of international valuation standard effective from 31st January 2022.

5) Base of Value

Valuation Base means the indication of the type of value being used in an engagement. In the present case, RV has determined the fair value of the equity shares of the company. Fair value Bases defined as under.

Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the valuation date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. Fair value or Market value is usually synonymous to each other except in certain circumstances where characteristics of an asset translate into a special asset value for the party(ies) involved.

(Handwritten Signature)
TRUE COPY

CA VAIBHAV JAIN**Registered Valuer (SFA)****6) Premise of Value**

Premise of value refers to the conditions and circumstances how an asset is deployed. In the present case, RV has determined the fair value of equity shares of the Transferee Company and Transferor Companies on a Going Concern Value defined as under:

Going Concern Value

Going concern value is the value of a business enterprise that is expected to continue to operate in the future. The intangible elements of going concern value result from factors such as having a trained work force, an operational plant, necessary licenses, systems, and procedures in place etc.

7) Valuation Date

Valuation date is the specific date at which the value of the assets to be valued gets estimated or measured. Valuation is time specific and can change with the passage of time due to changes in the condition of the asset to be valued. Accordingly, valuation of an asset as at a particular date can be different from other date(s).

The Valuation date considered for the fair value of equity shares of the transferee and transferor companies is 31st March 2022 ("Valuation Date"). The attached report is drawn up by reference to accounting and financial information as on 31st March 2022. The RV is not aware of any other events having occurred since 31 March 2022 till date of this report which he deems to be significant for his valuation analysis.

8) VALUATION STANDARD, APPROACH AND METHODOLOGY

9.1. Valuation Standard

International Valuation Standard effective from 31st Jan 2022 has been adopted for the valuation of these shares.

9.2. Valuation Approaches

Valuation of a business is not an exact science and ultimately depends upon what it is worth to a serious investor or buyer who may be prepared to pay a substantial goodwill. This exercise may be carried out using various methodologies, the relative emphasis of each often varying with:

- Whether the entity is listed on a stock exchange
- Industry to which the company belongs
- Past track record of the business and the ease with which the growth rate in cash flows to perpetuity can be estimated
- Extent to which industry and comparable company information is available.

The results of this exercise could vary significantly depending upon the basis used, the specific circumstances and professional judgment of the valuer. In respect of going concerns, certain valuation techniques have evolved over time and are commonly in vogue. These approaches can be broadly categorized as follows:

1. Asset Approach
2. Income Approach
3. Market Approach

9.2.1. Asset Approach

This method determines the worth of a business by the assets it possesses. It involves examining every asset held by the company, both tangible and intangible. The value of intangibles is referred to as the company's goodwill, the difference in value between the company's hard assets and its true value.

The value arrived at under this approach is based on the financial statements of the business and may be defined as Shareholders' Funds or Net Assets owned by the business. The Net Asset Value (NAV) is generally used as the minimum break-up value for the transaction since this methodology ignores the future return the assets can produce and is calculated using historical accounting data that does not reflect how much the business is worth to someone who may buy it as a going concern. Pursuant to accounting convention, most assets are reported on the books of the subject company at their acquisition value, net of depreciation where applicable. These values must be adjusted to fair market value wherever possible. Further, the balance sheet values are to be adjusted for any contingent liabilities that are likely to materialize.

CA
TRUE COPY

CA VAIBHAV JAIN
Registered Valuer (SFA)

Intrinsic value is at the core of fundamental analysis since it is used in an attempt to calculate the value of the total assets of the business and then compare it with the fair value.

9.2.2. Income Approach

The income approaches determine fair market value by dividing the benefit stream generated by the subject or target company by a discount or capitalization rate. The discount or capitalization rate converts the stream of benefits into present value. There are several different income approaches, including Capitalization of Earnings or cash flows, Discounted Future Cash Flows ("DCF"), and the Excess Earnings Method (which is a hybrid of asset and income approach of benefit stream to which it is applied). The result of a value calculation under the income approach is generally the fair market value of a controlling, marketable interest in the subject company, since the entire benefit stream of the subject company is most often valued, and the capitalization and discount rates are derived from statistics concerning public companies.

9.2.3. Market Approach

The value of a business is determined by comparing the company's accounting ratios with other companies of the same nature and size. This approach is used, where the value of a stock is estimated based upon its current price relative to variables considered to be significant to valuation, such as earnings, cash flow, book value, or sales of various business of the same nature. Business appraisal includes comparative transaction method and publicly traded company method. Through this, it derives a relationship between performance, revenues and selling price.

- **DCF Method:** - Under the DCF method the forecasted cash flow is discounted back to the valuation date resulting in the present value of the asset. Indefinite life asset, DCF includes a terminal value which represent the value of assets at the end of the explicit projection periods

The key steps in the DCF method are:

- Choose the most appropriate type of cash flow for the nature of the subject asset and the assignment (ie, pre-tax or post-tax, total cash flows or cash flows to equity, real or nominal, etc.),
- Determine the most appropriate explicit period, if any, over which the cash flow will be forecast,
- Prepare cash flow forecasts for that period,
- Determine whether a terminal value is appropriate for the subject asset at the end of the explicit forecast period (if any) and then determine the appropriate terminal value for the nature of the asset,
- Determine the appropriate discount rate, and
- Apply the discount rate to the forecasted future cash flow, including the terminal value, if any.

- **Net Asset Method:** - The Net Asset method, also referred to as the underlying asset method, is typically used for investment companies or other types of assets or entities for which value is primarily a factor of the values of their holdings.

The key steps are:

- Value each of the component assets that are part of the subject asset using the appropriate valuation approaches and methods, and
- Add the value of the component assets together to reach the value of the subject asset.

- **Market Approach:** - The market approach provides an indication of value by comparing the asset with identical or comparable (that is similar) assets for which price information is available.

The market approach should be applied and afforded significant weight under the following circumstances:

- a) The subject asset has recently been sold in a transaction appropriate for consideration under the basis of value,
- b) The subject asset or substantially similar assets are actively publicly traded, and/or
- c) There are frequent and/or recent observable transactions in substantially similar assets.

Assumptions:-

The value of shares of the Company under DCF Approach has been arrived on the basis of financial projection provided by the management as follows:

- 1) For the explicit period, free cash flows from the business have been arrived at as follows:
 - a) Profits after tax as per the projections have been considered.
 - b) Depreciation and amortization on fixed assets have been added.
 - c) Fund requirements for incremental working capital and capital expenditure have been reduced from the cash earnings of the respective years.
 - d) The cash flows of each year are then discounted at the Weighted Average Cost of Capital (WACC). WACC is considered as the most appropriate discount rate in the DCF Method, since it reflects both the business and the financial risk of the Company. In other words, WACC is the weighted average of the firm's cost of equity and debt. The WACC is worked out using the following parameters:

Particulars	Rate
Risk Free Rate	6.10%
Beta Factor	1.00
Market Return	12.92%
Market Premium	6.82%
Growth Rate	5.00%
WACC	12.92%

- 2) After the explicit period, the business will continue to generate cash. In DCF Method, therefore, perpetuity value is also considered to arrive at the enterprise value. For arriving at the perpetuity value, we have considered a growth rate of 5.00% based on management estimate.
- 3) Cash flows for perpetuity have been arrived at after considering the corporate taxes, estimated capital expenditure and incremental working capital requirements.
- 4) The discounted perpetuity value is added to the discounted cash flows for the explicit period to arrive at the enterprise value.
- 5) Appropriate adjustments have been made for cash and cash equivalents, and value of investments to arrive at the fair value of the equity shares.
- 6) The value so arrived is divided by the outstanding number of equity shares & as on the date (31-Mar-2022) of this report to arrive at the value per share.

10) Conclusion: Keeping in view of the nature of business and significant presence of immovable properties, we have given 50% weighted to each method i.e. Income Approach & Cost Approach and arrive the final valuation of equity share of HDL as under:

Name of Approach	Value per share	Weighted	Final Value per share

xii. Others:-

- While our work has involved an analysis of financial information and accounting records, our engagement does not include an audit in accordance with generally accepted auditing standard of the client existing business records. Accordingly, we assume no responsibility and make no representations with respect to the accuracy or completeness of any information provided by and on behalf of you and the client. Our report is subject to scope and limitations detailed hereinafter. As such the report is to be read in totality, and not in parts, in conjunction with the relevance documents referred to herein and in the context of the purpose for which it is made.
- The valuation of companies and business is not a precise science and the conclusions arrived at in many cases will be subjective and dependent on the exercise of individual judgement.
- The actual market price achieved may be higher or lower than our estimate of [value/range] depending upon the circumstances of the transaction (for example the competitive bidding environment), the nature of the business (for example the purchaser's perception of potential synergies).
- The knowledge, negotiating ability and motivation of the buyers and sellers and the applicability of a discount or premium for control will also affect actual market price achieved. Accordingly, our valuation conclusion will not necessarily be the price at which any agreement proceeds. The final transaction price is something on which the parties themselves have to agree. We also emphasize that our opinion is not the only factor that should be considered by the parties in agreeing the transaction price.
- An analysis of such nature is necessarily based on the prevailing stock market, financial, economic and other conditions general and industry trends in particular as in effect on and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.
